

# Westchester GIS User Group Meeting

## 2017 Westchester GIS User Group Meeting Workshop

### How to Build Great Web Apps with ArcGIS.com

*Introduction by Mark Scott, ESRI at 3:30pm (Computer Lab) and tech support by Ana Hiraldo-Gomez, Westchester County GIS*

This is a hands-on introductory class on how to build Apps using Arcgis.com. Users will learn how easy it is to create [web maps](#) using [map services](#) and build customized applications to share with the public.
